

COVID19 guarantee conditions

Reservations made after November 1, 2020 with a stay in 2021 are covered under the COVID19 guarantee of Villa CONMIGO bed & breakfast. In the unlikely event that your stay cannot take place due to closed borders or other Government-imposed barriers related to the corona virus, which make travel impossible or illegal, we guarantee your (down) payment. A free rebooking of your stay is possible or we will provide you with a travel credit voucher with the value of the down payment or full accommodation sum.

1. THE GUARANTEE APPLIES TO:

- 1.1 COVID19 guarantee applies only to cancellations in case of Force Majeure caused by the corona virus. This concerns official government restrictions like closed borders (lock down), negative travel advice and mandatory quarantine (which has not been announced at the time of booking) on arrival or return of 5 days or more.
- 1.2 The COVID19 guarantee does NOT apply to; canceled flights, fear, doctors advice, illness, dismissal, own decision not to travel, a government-mandated PCR test (or equivalent) and mandatory quarantine announced before or at the time of booking.
- 1.3 COVID19 guarantee applies to reservations (made without the intervention of booking websites such as Booking-com) for which the payment obligations, as stated in the booking confirmation, have been fulfilled.
- 1.4 The COVID19 guarantee is linked to Force Majeure conditions. When check-in date is within the dates of Force Majeure, the COVID19 guarantee applies. This can vary by country, region or even locally. Premature cancellations (cancellations outside the dates of Force Majeure) are at your own expense.
- 1.5 Reservations and payments for green fees, attractions, activities and other services are excluded from the COVID19 guarantee. For this we refer to the conditions of our partners who offer the service.
